Are you enthusiastic, passionate and have a good sense of humour? We would love to hear from you.

We are looking for a strong Design & Technology teacher to work within this improving faculty.

You will be working in a GOOD school. Our Ofsted in November 2017 highlighted our many Good and Outstanding features. We are the highest performing school in North Solihull with a positive Progress 8 score for the last 2 years of publication. Our percentage of Grade 5 or above in the Basics has continued to improve year on year and this reflects our desire to be Outstanding. We are a school with a very strong Sixth Form with results among the best in the country.

We promise to offer you both a stimulating and highly rewarding experience in return for your motivational skills and good practice. Come and visit us – you will not be disappointed. Exceptional candidates may be interviewed prior to the closing date.

The Park Hall/Arden Partnership is committed to safeguarding and promoting the welfare of children and young people and as such expects all staff and volunteers to share this commitment.
