PARK HALL
ACADEMY

December usually brings one of the most enjoyed and highly anticipated evenings of Park Hall Academy's school year.

The Park Hall Academy Awards evening.

Unfortunately, due to the implications of Coronavirus, we have not been able to do this special event in the usual way. However, the recognition of the hard work of our students has not stopped, and we certainly have. With all of the challenges and demands of the current situation, our students have continued to work hard during this time. The patience and the dedication shown by students has been fantastic.

Receiving an award is not only a huge honour but is something highly recognised by students. Students receive a medal or trophy and a certificate, and keep this as an important reminder of their hard work and dedication to their studies. Students have all had their photos taken, with their certificates and medals in recognition of this.

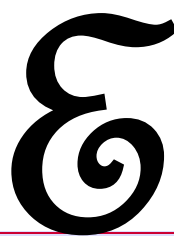

Please look out for the Academy Awards presentation on our School Website.

A HUGE congratulations to all of the award winners.

Miss C Bartlett

Since its implementation in September, we have focused each week on a different element. Over **2,000** P.R.I.D.E postcards have been sent home this term!

The following four students have been exceptional. In the first cycle of Pride, these four students received at least 1 nomination for each category!
