

# The 'Mini' Park Life

A special edition of our school magazine just for Year 6 joining us in September.

Hello Year 6! We hope you are ok and that you have enjoyed the last week of primary school. Last week we asked you some questions to help you prepare for your Maths lessons - let's see how many you got right!

1. How many weeks are there in a year? **52 weeks**
2. How many days after in the different months of the year? **30 days has September, April, June and November. All the rest have 31, except February which has 28 each year and 29 in a leap year.**
3. How many days are in a fortnight? **14 days**
4. What time is 3pm on a 24 hour clock? **15.00**
5. How many months are in a year? **12 months**
6. How many hours are there in a day? **24 hours**
7. How many days are there in a year? **365 days**
8. What is a 4 sided shape called? **Quadrilateral**
9. What is a 5 sided shape called? **Pentagon**
10. What is a 6 sided shape called? **Hexagon**

## Question - What are the school rules?

We have quite a few school rules to do with lots of different part of school life. Some are about the footwear you wear, or what equipment you bring. There are slightly different rules for each teacher you have too. However, there are three golden rules to follow at Park Hall.

## Golden Rules

- We always do our best
- We do as we are told
- We work as a team

We look forward to welcoming you all in September!!!!
